Dear Mr. Haynes,

Good Shepherd Recovery House. is approved as an STANDARD RECOVERY RESIDENCE in the Transitional Housing for Offender Reentry (THOR) directory. As such, the facility is eligible for referrals from staff of the Department of Corrections and the Department of Community Supervision. This approval expires JUNE 12, 2019, unless a new review of policies and procedures and a site visit are completed before then. Please contact our unit no less than 60 days prior to the certificate expiration date for a bi-annual re-approval visit.

Please contact our unit if you expand, relocate, or modify your operations or contact information (including any phone number change) to ensure the THOR Directory maintains accurate information about the facility. Your facility profile can be viewed by going to www.dcs.ga.gov, click on Reentry Resources under the Menu tab, then Housing Programs. Then accessing the THOR Directory will give you a list of all currently active providers.

I want to thank you for your care and concern to provide returning citizens with a safe and stable living environment. I am confident that your interaction with the returning citizens will have a dramatic effect to promote recovery from criminal lifestyles and alcohol or other drug use. Your work contributes significantly to improving the health of our citizens and safety of our community.

Sincerely,

Carlia Ray
